An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Dennis Haszko on October 24, 2005.

The application has been amended as follows:

**IN THE CLAIMS:**

Claim 1 (Currently Amended) An umbrella for an animal comprising: a saddle; straps connected to the saddle for attaching the saddle to the animal; a collapsible canopy; a shaft with first and second ends, the first end connected to the collapsible canopy; a pivot pin connected to the saddle for attaching the second end of the shaft to the saddle defining an axis of rotation about which the shaft rotates between a substantially vertical and a substantially horizontal position relative to the saddle while the shaft is attached to the saddle; and a position lock having two ends, the position lock releasably securing the shaft in the vertical position when the shaft is attached to the saddle, the position lock including a resilient biasing means for allowing the two ends of the position lock to be compressed inwardly in order to release the position lock from securing the shaft in the vertical position.
